Worksheet C - PERSONAL SERVICES

(This worksheet must be included as part of the Services Contract Approval Form when contracting a function is being contemplated or before exercising an option.)

Pursuant to FAR Part 37.104, a personal services contract is characterized by "the employer-employee relationship it creates between the Government and the contractor's personnel. The Government is normally required to obtain its employees by direct hire under competitive appointment or other procedures required by the Civil Service laws. Obtaining personal services by contract rather than by direct hire under competitive appointment, circumvents those laws unless Congress has specifically authorized acquisition of those services." If the contract, by its written terms or in the way it is actually performed, involves any of the following elements, modify the contract, perform it to avoid creating an employer-employee relationship or in-source: (Adapted from FAR Part 37.104 (d)).

PERSONAL SERVICES

- 1 The contractor personnel are subject to relatively continuous supervision and control of a governmental officer.
- 2 Contractor is performing on a government site.
- 3 Principal tools and equipment are furnished by the government.
- 4 Services are applied directly to the integral effort of agencies or an organizational subpart in furtherance of assigned function or mission.
- 5 The need for the service provided can reasonably be expected to last beyond one year.
- 6 The inherent nature of the service, or the manner in which it is provided, reasonably require (directly or indirectly), Government direction or supervision of contractor employees in order to:
 - a) Adequately protect the government's interest;
 - b) Retain control of the function involved; or
 - c) Retain full responsibility for the function supported in a duly authorized Federal officer or employee.

Specific statutory authority for personal services is provided in 10 United States Code §129b for:

- experts or consultants where the services cannot be adequately provided by the Department;
 - In general, the authority to procure personal services for experts and consultants pursuant to 10 United States Code §129b requires the approval of the ASA(AL&T) unless the services being acquired are covered by the delegation of authority covered in AFARS Sub Part 5137-104-90-2 (i.e., stenographic reporting, stage, motion picture or television productions or legal services outside the United States). In all cases, additional procedures required by AFARS Part 5137.104-90 must be followed with appropriate approval authority.

- direct support of a defense intelligence component or counter-intelligence organization of the Department of Defense where the services are urgent or unique and cannot be practically obtained within the Department;
 - Pursuant to DFARS SubPart 237.104(b)(iii)(A), the Head of a Contracting Activity must provide written approval.

 - Pursuant to DFARS SubPart 237.104(b)(iii)(A), the Head of a Contracting Activity must provide written approval.

- services provided by individuals outside the US regardless of their nationality;
 - Pursuant to DFARS SubPart 237.104(b)(iii)(A), the Head of a Contracting Activity must provide written approval.

- or 10 United States Code §1091 for carrying out health care responsibilities in medical treatment facilities of the Department of Defense.
 - DODI 6025.5 limits this exception to health care personnel who participate in clinical patient care and does not include personnel whose duties are primarily administrative or clerical, nor personnel who provide maintenance or security services.

iii) The function is performed pursuant to a contract awarded on a non- competitive basis.

iv) The contracting officer has determined that the contract has been performed poorly because of excessive costs or inferior quality.

2 Has the contract been accurately reported in the Contractor Manpower Reporting Application (<https://cmra.army.mil/>) pursuant to SecArmy policy? For new requirements, has the Contractor Manpower Reporting Application (CMRA) Requirement been included in the work statement? CMRA reporting pursuant to SecArmy policy is being used by Department of the Army to comply with most of the reporting required by the National Defense Authorization Act for FY2008, Section 807.
